Contributed.
The St. Joachim's church sermons have been given hitherto in six languages, namely: English, French, German, Polish, Ruthenian and Cree. Certainly it is the one church in the far West, where the gospel is preached in so many different tongues. It is in our country a splendid proof of the universality of the Catholic church.

Rev. Father Dwyer, O.S.A., and Rev. Father Paul Kulawy, O.M.I., left Tuesday, December 15th, for Rabbit Hills. We notice that there are three brothers Kulawy in the Northwest, all belonging to the order of the Oblates of Mary Immaculate. (Rev. Fathers Albert and William Kulawy are at Winnipeg. They were the first priests who preached the gospel in Canada in their own language. Rev. Father Paul Kulawy lives at the Catholic mission, Edmonton, and is a month out from the old country, having come straight to Edmonton.

STREET RAILWAY PROPOSITION

The following communication, addressed to "the ratifiers of the town of Edmonton," has been received with a request for publication:

"The undersigned takes this opportunity to set forth clearly what undertakings the company he represents is now ready to enter into with the city regarding a street railway:

"First.—We will agree to commence the construction of three lines of the tram line in the coming spring, and have two miles completed twelve months from the signing of the agreement with the city, provided no unforeseen delays are met in delivery of machinery, over which we have no control.

"Second.—We agree to deposit a forfeit guarantee of five thousand dollars (\$5,000) that the work will be commenced and pushed forward with dispatch within the time above stated.

"Third.—We agree to allow the city to share in profits on the operation of the road.

"Fourth.—We agree to supply a good service within the town at popular rates (5 cents) consistent with the town's population.

"It is our intention to supply the most modern cars, equipped with air brakes, and heated by electricity, using the system the most up-to-date. Arrangements have been made through our land grant to the company, to have our stock guaranteed redeemable at par, so that the most loss an investor can meet is the return of the par value of his stock without interest at maturity of the bonds.

ST. ALBERT MEETING

Gagnon's hall, St. Albert, was the scene of a very successful political meeting last night. There was a large attendance of electors from St. Albert and immediate vicinity. Dr. Tierney acted as chairman. Addresses were delivered by Frank Oliver, M.P., and Wilfrid Laurier. Mr. Oliver dealt with the various questions which arose during the last session of parliament. His address was very interesting and he stood on the platform of the government. Mr. Laurier dealt with matters of more local interest. The meeting closed with the singing of the national anthem. A reward of \$100 was offered for the capture of the man who shot and killed a cow on the farm of Mr. Wilfrid Laurier and is a cow Frank Oliver.

CURLING

Several interesting curling matches were played at the rink last night. At 8.15, Stovel defeated Laurier in the following game:—
 McKenna, Buckell.
 Parsons, Mills.
 Dewar, Studholme.
 Stovel—15. Laurier—5.
 A very exciting match took place between Raymer's rink and McLean's. In the absence of E. Raymer, Richardson skipped and D. McKinnon played lead.
 McKinnon, Fisher.
 Belcher, Wilton.
 Peritt, Whitelaw.
 Richardson—14. McLean—10.
 The games posted for tonight are:—
 Ibbotson vs. McKenna.
 Emery vs. Kinnear.
 Dowsett vs. Mercer.
 Tomorrow's games are:—
 Peaser vs. Mats.
 Form vs. McLean.
 Taylor vs. Campbell.
 Fraser defaulted to Giles and a scratch game was played between Giles and Ibbotson.
